

## **ElephantMan Foundation's Inner Beauty Contest Announcement, 2003-2006**

### **The Inner Beauty Campaign**

Write, paint, draw, sing, dance, act, photograph, or use any other media to express what INNER BEAUTY means to you — and enter the 2003-2006 Inner Beauty contest.

Keep in mind that Inner Beauty is about self-esteem, taking care of yourself, eating right, exercising, developing one's mind, having hobbies and interests, being kind, considerate, and thoughtful of others. When a person is beautiful on the inside, that beauty shows on the outside.

That's something to think about if you submit an entry to the ElephantMan Foundation's Inner Beauty contest. The theme is Inner Beauty and all submissions will be considered that have to do with the contest's theme.

### **The Basics of the Contest**

Entries will be judged in two divisions: Teens and Adults.

ElephantMan Foundation will award a first prize in each division. The first-prize winner will receive a professional magazine-style photo shoot with hair & makeup worth \$1,500. The first-prize winning entries will be showcased on the upcoming ElephantMan Foundation website.

You already have Inner Beauty but you will be able to express it to the masses if you enter the ElephantMan Foundation's Inner Beauty Contest. Entries must be submitted by March 6, 2004, to be eligible for judging. See below for more rules that **MUST** be followed. Good luck!
